

## OPTION #2

6:00 PM - MAIN SKI PARKING LOT

# NF ENDURANCE CHALLENGE 5K

Trails, short, intermediate

[Click here for a Strava Map](#)

**Distance: ca. 3.1 miles**  
**Elevation: ca. 600 ft**

Trail shoes recommended

This course provides a great introduction to mountain trail running! The terrain is a mix of gravelly, packed trails and heavily rooted paths. No trail shoes? No problem. Watch your footing during those shorter stretches of technical terrain and you will have a great time.

Modifications: Turning right at Balance Rock Trail will bring you back to the lot before the steep parts begin.
