# ROAD AROUND THE MOUNTAIN

Road, long, challenging

[Click here for a Strava map](#)

**Distance: ca. 8 miles**

**Elevation: ca. 950 ft**

**Road shoes recommended**

This course will give you the opportunity to admire the mountain from every single direction. Join this group for a tough 8 miler. The roads will be a mix of gravel and paved.

Don't underestimate these rolling hills and their tricky elevation.

Modifications: Turn around at any point.
