Distance: ca. 3.1 miles

Elevation: ca. 200 ft

Road shoes recommended

This course is for our 5k distance lovers who are not big on elevation.

With ca. 200 ft of gain this course is friendly for all abilities. Please note that this course starts and ends at the echo lake trailhead. Make sure to drive over to the ski area after your run to join the festivities!

Modifications: Turning around at any point before the turnaround mark will shorten the course.
